

## **2020**

**was likely the craziest year that most of us have ever experienced. We didn't even know if we would be able to host any horse shows with the covid-19 pandemic in full swing. But, not only did we have a show season, we had an excellent show season! Starting with the first show on June 21, the show ring was packed with eager, excited, and talented riders. We are so thankful for every single rider, RRVHSA member, and horse enthusiast that participated in and attended the shows last summer. It was so encouraging to see the enthusiasm from everyone involved, especially during such a challenging time. That enthusiasm carried through the entire horse show season with every show packed full of talented riders, beautiful horses, and contagious energy.**

**We would like to thank and acknowledge our very generous sponsors:**
